3.2 Delete Request

The “Delete” button next to a specific request allows the customer to delete that request.

Note: This should only be done if the customer does not want pharmacies to respond to that specific request anymore

4 View and Edit Profile

If the customer clicks the “View Profile” button on the homepage, they can view the profile information they initially entered when signing up.

The screenshot shows the 'My Profile' page. At the top, there is a blue header bar with a user icon, the text 'Dashboard · My Profile', and a 'LOG OUT' button. The main content area is light gray and contains a white card titled 'My Profile'. The card features a profile icon placeholder and a list of user details: Name: Kamala Perera, NIC Number: 977746184V, Email: s@gmail.com, Address: 28/1, Siriwardane Rd, Dehiwala, Latitude: 6.8371, Longitude: 79.872163, Gender: Female, Date of Birth: 2000-02-10, and Contact No.: 116431164. Below the details is a blue 'Edit Profile' button. At the bottom of the card, the text 'Pharmacy Finder - Version 1.0.0 © 2021 | [Contact Us](#)' is displayed.

Clicking the “Edit Profile” button on the profile allows the customer to edit specific details like their address. Clicking “Submit” after editing confirms the new details entered by the customer.

5 Creating a New Request

The drugs you require will be sent in a request to the pharmacies that sell the required drugs within a 30 km radius. To fill in the drug request form, select the “Create New Request” button in the customer home page.

From the request creation page, you will see two lists.

1. Branded Drugs – These are the drugs that you require that are from a specific brand.
2. Drug Types – These are the drugs that can be from any brand. One drug type may have several branded drugs.

Dashboard - Create New Request LOG OUT

Select the drugs that you would like to request :

Drugs Available (Any brand) :

Drug Types	Select
Amlodipine 10mg	<input type="checkbox"/>
Atorvastatin 10mg + Fenofibrate 160mg	<input type="checkbox"/>
Paracetamol	<input type="checkbox"/>
Verapamil	<input type="checkbox"/>

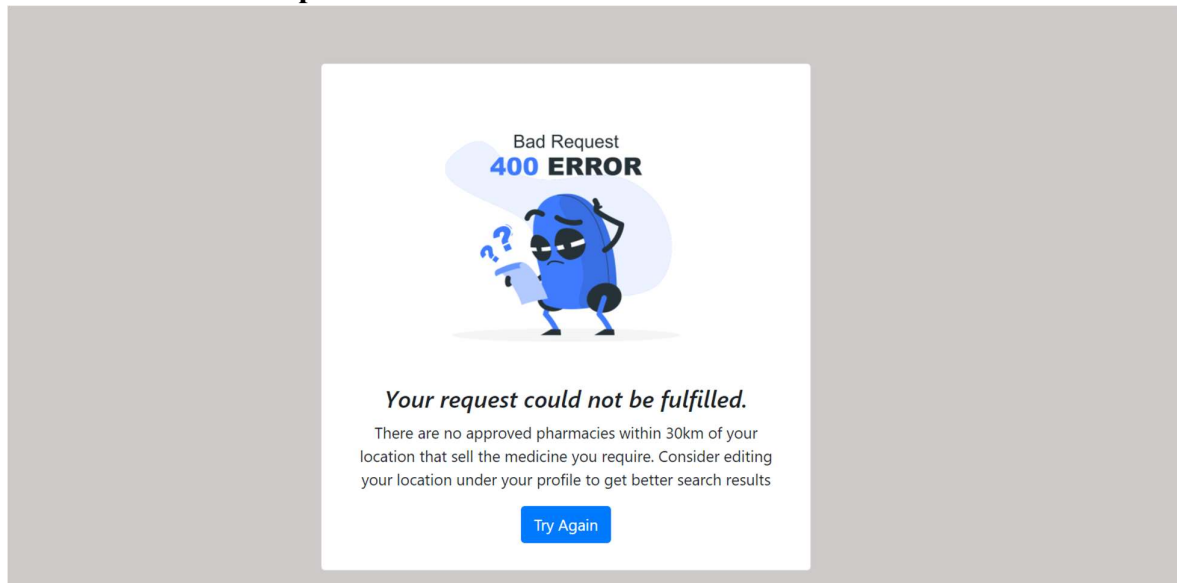

Drugs of specific brands :

Branded Drugs	Select
Amlogard 10	<input type="checkbox"/>
ATROLET F 10MG TAB	<input type="checkbox"/>
GENXVAST F TAB	<input type="checkbox"/>
OZOVAS F TAB	<input type="checkbox"/>
Panadol	<input type="checkbox"/>
TONACT TG 10MG TAB	<input type="checkbox"/>
Tylenol	<input type="checkbox"/>
Verelan	<input type="checkbox"/>

When sending the request, if a drug type was selected, the request will be sent out to any pharmacy that contains at least one of the options selected.

Note: Sending the request may take some time depending on the load on the servers. **Do not click anything on the page** until you have been redirected to the customer home page to ensure that the request was sent.

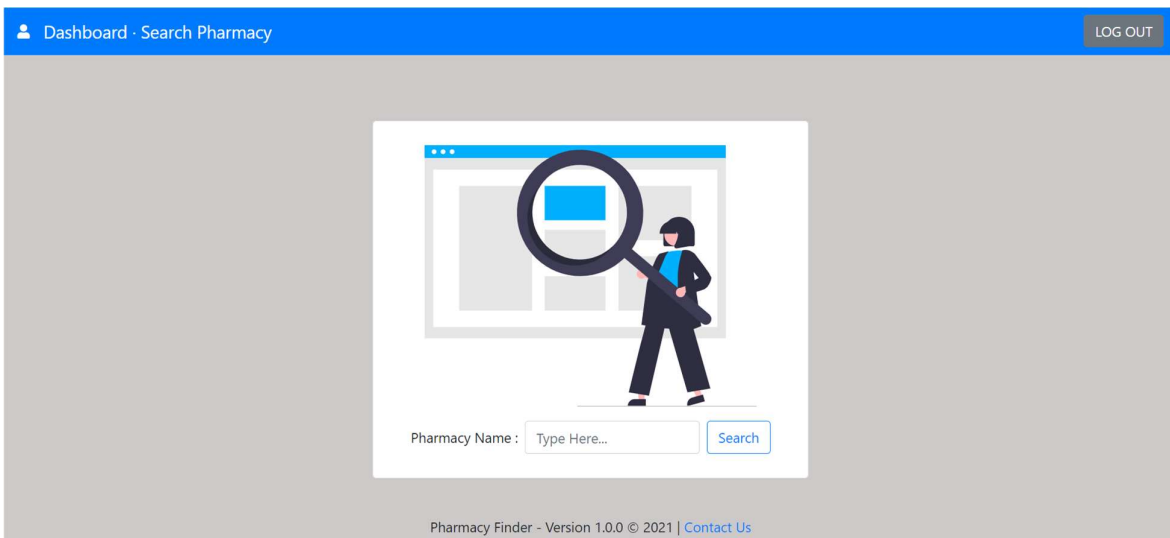

5.1 400 Error – No pharmacies within a 30 km radius

This will occur when the customer location is more than 30 km away from any pharmacies that sell the drugs. In that case, the user may have to edit the location so that they can send the requests to the pharmacies.

6 Search for a Pharmacy

Customers can search for the address and other information about a pharmacy by clicking on the “Search for pharmacy” button in the homepage. The following page will appear.
